I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the United States Environmental Protection Agency (“EPA”), filed, on February 4, 2010, a complaint (Case No. CV 10-0824 PSG (SSx)) pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. § 9607 and Section 7003 of the Resource Conservation and Recovery Act (“RCRA”), 42 U.S.C. § 6973, seeking injunctive relief and reimbursement of response costs incurred by EPA and the United States Department of Justice for response actions at the B.F. Goodrich Superfund Site in Rialto, California.

B. The Local Government Entities (as defined in Section IV (Definitions)) filed complaints in this matter pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, and/or state law seeking injunctive relief, declaratory relief, reimbursement of response costs and other damages. Rialto also filed claims pursuant to Section 7002 of RCRA, 42 U.S.C. § 6972, against certain parties.

C. The United States’ complaint, this Consent Decree, and the history of the B.F. Goodrich Superfund Site, exist within a larger context of litigation and a larger context of activities in and around the B.F. Goodrich Superfund Site, as follows:

1 (1) During and immediately after World War II, certain United
2 States agencies owned a tract known as the RABSP in San Bernardino County,
3 California;

4
5 (2) The RABSP sits atop the Rialto-Colton Groundwater Basin
6 (“Rialto Basin”);

7
8 (3) After World War II, the United States agencies sold the RABSP
9 property off in different parcels, including a 160 acre parcel (“160-Acre Area”)
10 bounded by Casa Grande Park Avenue on the north, Locust Avenue on the east, an
11 extension of Alder Avenue on the west, and an extension of Summit Avenue on the
12 south. Other parties to the Consolidated Federal Action owned and/or operated
13 businesses within the area formerly occupied by the RABSP;

14
15
16 (4) The United States on behalf of EPA, asserts that there are two
17 source areas within the area formerly occupied by the RABSP (the “RABSP
18 Area”) from which contaminated groundwater is emanating. These two source
19 areas are known as the West Side Area and the 160-Acre Area;

20
21
22 (5) The West Side Area is in the western portion of the former
23 RABSP Area. For purposes of this Consent Decree, it consists of property
24 currently owned by San Bernardino County, otherwise known as the Mid Valley
25 Sanitary Landfill (“County Property”), and the Stonehurst Property, which is
26 located adjacent to the County Property;
27
28

1 (6) The State of California's Water Resources Control Board and
2 its Santa Ana Regional Water Quality Control Board have assumed jurisdiction
3 over, among other things, the cleanup of the County Property and the Stonehurst
4 Property, and San Bernardino County has assumed responsibility for implementing
5 cleanup of releases from the County Property pursuant to a Cleanup and
6 Abatement Order, Regional Water Quality Control Board Order No. R8-2003-
7
8 0013, as amended by R8-2004-0072;

9
10 (7) Certain claims in the Consolidated Federal Action are the
11 subject of consent decrees lodged in the Central District of California under case
12 number ED CV 09-1864 (SSx); and
13
14

15 (8) The 160-Acre Area is in the eastern portion of the former
16 RABSP and is the source area encompassed in the Rockets, Fireworks, and Flares
17 Superfund Site.
18

19 D. In response to a release or a substantial threat of a release of a
20 hazardous substance(s) at or from the B. F. Goodrich Superfund Site, EPA
21 commenced on January 15, 2009, a Remedial Investigation ("RI") and Feasibility
22 Study ("FS") for the B.F. Goodrich Superfund Site pursuant to 40 C.F.R.
23 § 300.430. In 2013, EPA proposed a rulemaking that would change the name of
24 the B.F. Goodrich Superfund Site. *See* Proposed Rule No. 58, Docket ID No.
25 EPA-HQ-SFUND-2008-0574. Because this rule making has not been completed,
26
27
28

1 solely for purposes of this Consent Decree, the Parties will identify this site as the
2 Rockets, Fireworks, and Flares Superfund Site.

3 E. Pursuant to Section 105 of CERCLA, 42 U.S.C. § 9605, EPA placed
4 the Rockets, Fireworks, and Flares Superfund Site on the National Priorities List,
5 set forth at 40 C.F.R. Part 300, by publication in the Federal Register on September
6 23, 2009, 74 Fed. Reg. 48412. By placing the Rockets, Fireworks, and Flares
7 Superfund Site on the National Priorities List, U.S. EPA assumed jurisdiction over
8 its cleanup.
9
10
11

12 F. In accordance with Section 122(j)(1) of CERCLA, 42 U.S.C.
13 § 9622(j)(1), EPA notified the U.S. Fish and Wildlife Service and the California
14 Department of Fish and Game on November 15, 2010, of negotiations with PRPs
15 regarding the release of hazardous substances that may have resulted in injury to
16 the natural resources under federal trusteeship and encouraged the trustees to
17 participate in the negotiation of this Consent Decree.
18
19
20

21 G. Defendant the Estate of Hescoc (“Hescoc” or “Settling Defendant”) is
22 a named as defendant in one or more of the complaints referenced in the foregoing
23 paragraphs. Settling Defendant does not admit, and specifically denies: (1) any
24 liability arising out of the transactions or occurrences alleged in the claims or
25 deemed by the Court in the Consolidated Federal Action; and (2) that the release or
26 threatened release of Waste Material at or from the Rockets, Fireworks, and Flares
27
28

1 Superfund Site or the RABSP (as defined in Section IV (Definitions)) constitutes,
2 contributed to or caused an imminent or substantial endangerment to the public
3 health or welfare or the environment. The Local Government Entities and the
4 Settling Federal Agencies also do not admit, and specifically deny, any liability
5 arising out of the transactions or occurrences alleged in the claims or deemed by
6 the Court in the Consolidated Federal Action.
7
8

9 H. The United States has requested and reviewed financial information
10 and insurance information from Hescox to determine whether it is financially able
11 to pay response costs incurred and to be incurred in connection with the Rockets,
12 Fireworks, and Flares Superfund Site. Based upon such financial information and
13 insurance information, the United States has determined that Hescox's payment
14 specified in Section VI (Settlement of Response Costs) of this Consent Decree is a
15 fair and reasonable resolution of this claim and is in the public interest.
16
17
18

19 I. The Parties recognize and the Court by entering this Consent Decree
20 finds, that this Consent Decree has been negotiated by the Parties in good faith,
21 that implementation of this Consent Decree will expedite the cleanup of the
22 Rockets, Fireworks, and Flares Superfund Site and will avoid prolonged and
23 complicated litigation between the Parties, and that this Consent Decree is fair,
24 reasonable, and in the public interest.
25
26
27

8 to Settling Defendant and Pyrotronics and do not extend to any other person.
9

10

16 action, but only to the extent that LGE's claims arise from the same response
17 action, response costs, or damages that Settling Defendant is seeking pursuant to
18 the applicable reservation or that Pyrotronics is otherwise seeking.

7
8 for response costs relating to the RABSP Site against any other person who is or
9 was a party in the Consolidated Federal Action. This waiver shall not apply with
10 respect to any defense, claim, or cause of action that a Settling Defendant may
11
12 have against any person if such person asserts a claim or cause of action relating to
13 the RABSP Site against Settling Defendant.
14

15 **XI. EFFECT OF SETTLEMENT/CONTRIBUTION**

16 32. Except as provided in Paragraphs 30 and 31, nothing in this Consent
17 Decree shall be construed to create any rights in, or grant any cause of action to,
18
19 any person not a Party to this Consent Decree. Except as provided in Section X
20 (Covenants by Settling Defendant and Reservation of Rights by Settling Defendant
21 and Settling Federal Agencies), each of the Parties expressly reserves any and all
22 rights (including, but not limited to, under Section 113 of CERCLA, 42 U.S.C.
23 § 9613), defenses, claims, demands, and causes of action which it may have with
24
25 respect to any matter, transaction, or occurrence relating in any way to the RABSP
26 Site against any person not a Party hereto. Nothing in this Consent Decree
27
28

1 diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of
2 CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain
3 additional response costs or response action and to enter into settlements that give
4 rise to contribution protection pursuant to Section 113(f)(2).
5

6 33. The Parties agree, and by entering this Consent Decree this Court
7 finds, that this settlement constitutes a judicially-approved settlement for purposes
8 of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that Settling
9 Defendant and Pyrotronics are entitled, as of the Effective Date, to protection from
10 contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as
11 may be otherwise provided by law, for “matters addressed” in this Consent Decree.
12 The “matters addressed” in this Consent Decree are all response actions taken or to
13 be taken and all response costs incurred or to be incurred at or in connection with
14 the Rockets, Fireworks, and Flares Superfund Site or the West Side Site by the
15 United States or any other person, except for the State, including the 2010 ROD
16 Response Costs; provided however, that if the United States, or Local Government
17 Entities exercise rights under the reservations in Section IX (Reservation of Rights
18 by United States and Local Government Entities), other than in Paragraphs 17a.
19 and/or 19a. (liability for failure to meet a requirement of Consent Decree) or 17 b.
20 and/or 19b. (criminal liability), or Paragraph 18 with respect to the United States,
21 the “matters addressed” in this Consent Decree will no longer include those future
22
23
24
25
26
27
28

1 response costs or response actions that are within the scope of the exercised
2 reservation.

3 34. The Parties further agree, and by entering this Consent Decree this
4 Court further finds, that the payments and obligations provided for in this Consent
5 Decree represent a good faith compromise of disputed claims and that the
6 compromise represents a fair, reasonable, and equitable resolution. With regard to
7 any claims for costs, damages, or other claims against the Parties, the Parties agree
8 and this Court finds that Settling Defendant and Pyrotronics are entitled to
9 contribution protection pursuant to the California Code of Civil Procedure §§ 877
10 and 877.6, and any other applicable provision of federal or state law, whether by
11 statute or common law.

12 35. The Parties intend the broadest possible protection from contribution
13 actions provided by law for “matters addressed” in this Consent Decree.

14 36. Settling Defendant shall, with respect to any suit or claim brought by
15 it for matters related to this Consent Decree after the date the Consent Decree is
16 lodged with the Court, notify EPA and DOJ in writing no later than sixty (60) days
17 prior to the initiation of such suit or claim. Settling Defendant also shall, with
18 respect to any suit or claim brought against it for matters related to this Consent
19 Decree, notify EPA and DOJ in writing within ten (10) days after service of the
20 complaint or claim upon it. In addition, Settling Defendant shall notify EPA and

1 DOJ within ten (10) days after service or receipt of any motion for summary
2 judgment, and within ten (10) days after receipt of any order from a court setting a
3 case for trial, for matters related to this Consent Decree.
4

5 37. In any subsequent administrative or judicial proceeding initiated by
6 the United States for injunctive relief, recovery of response costs, or other relief
7 relating to the Rockets, Fireworks, and Flares Superfund Site, Settling Defendant
8 shall not assert, and may not maintain, any defense or claim based upon the
9 principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-
10 splitting, or other defenses based upon any contention that the claims raised by the
11 United States in the subsequent proceeding were or should have been brought in
12 the instant case; provided, however, that nothing in this Paragraph affects the
13 enforceability of the Covenants by Plaintiff set forth in Section VIII (Covenants by
14 United States and Local Government Entities).
15
16
17
18

19 **XII. ACCESS**

20 38. For any part of the Rockets, Fireworks, and Flares Superfund Site that
21 is or becomes owned or controlled by Settling Defendant, Settling Defendant shall,
22 commencing on the date of lodging of the Consent Decree, provide the United
23 States and their representatives, contractors, and subcontractors, with access at
24 reasonable times to the Rockets, Fireworks, and Flares Superfund Site, or such
25 other real property, to conduct any activity regarding the Rockets, Fireworks, and
26
27
28

1 Flares Superfund Site or Consent Decree including, but not limited to, the
2 following activities:

- 3 a. verifying any data or information submitted to the United
4 States;
- 5 b. conducting investigations regarding contamination at or near
6 the Rockets, Fireworks, and Flares Superfund Site;
- 7 c. obtaining samples;
- 8 d. assessing the need for, planning, or implementing additional
9 response actions at or near the Rockets, Fireworks, and Flares Superfund Site;
- 10 e. assessing implementation of quality assurance and quality
11 control practices;
- 12 f. implementing the Rockets, Fireworks, and Flares Superfund
13 Site work; and
- 14 g. inspecting and copying records, operating logs, contracts, or
15 other documents maintained or generated by Settling Defendant or its agents.

22 **XIII. RECORD RETENTION AND CERTIFICATION**

23 39. By signing this Consent Decree the Settling Defendant hereby
24 certifies that it has as of February 29, 2012, produced in the Consolidated Federal
25 Action all non-identical and non-privileged copies of records, reports, or
26 information in its possession or control (if any) that relate in any manner to
27
28

1 response actions taken at the Rockets, Fireworks, and Flares Superfund Site or the
2 liability of any person under CERCLA with respect to the Rockets, Fireworks, and
3 Flares Superfund Site. Except for those documents that have been produced in the
4 Consolidated Federal Action as described in the preceding sentence, until ten (10)
5 years after the entry of this Consent Decree, Settling Defendant shall preserve and
6 retain all non-identical copies of records, reports, or information (hereinafter
7 referred to as "Records") now in its possession or control, or that come into its
8 possession or control, that relate in any manner to response actions taken at the
9 Rockets, Fireworks, and Flares Superfund Site, RABSP Site, or the liability of any
10 person under CERCLA with respect to the Rockets, Fireworks, and Flares
11 Superfund Site, or RABSP Site regardless of any corporate retention policy to the
12 contrary.
13
14
15
16
17

18 40. After the conclusion of the document retention period in the preceding
19 Paragraph, Settling Defendant shall notify EPA and DOJ and the Local
20 Government Entities at least ninety (90) days prior to the destruction of any such
21 Records, and, upon request by EPA or DOJ, Settling Defendant shall deliver any
22 such Records to EPA. Settling Defendant may assert that certain Records are
23 privileged under the attorney-client privilege or any other privilege recognized by
24 federal law. If a Settling Defendant asserts such a privilege in lieu of providing
25 Records, it shall provide Plaintiff with the following: (a) the title of the Record;
26
27
28

1 (b) the date of the Record; (c) the name, title, affiliation (e.g., company or firm),
2 and address of the author of the Record; (d) the name and title of each addressee
3 and recipient; (e) a description of the subject of the Record; and (f) the privilege
4 asserted. If a claim of privilege applies only to a portion of a Record, the Record
5 shall be provided to the United States in redacted form to mask the privileged
6 portion only. Settling Defendant shall retain all Records that it claims to be
7 privileged until the United States has had a reasonable opportunity to dispute the
8 privilege claim and any such dispute has been resolved in Settling Defendant's
9 favor. However, no Records created or generated pursuant to the requirements of
10 this or any other settlement with EPA pertaining to the RABSP Site shall be
11 withheld from the United States on the grounds that they are privileged or
12 confidential.
13
14
15
16
17

18 41. Settling Defendant certifies that, to the best of its knowledge and
19 belief, after thorough inquiry, it has:

20 a. not altered, mutilated, discarded, destroyed or otherwise
21 disposed of any Records (other than identical copies) relating to its potential
22 liability regarding the Rockets, Fireworks, and Flares Superfund Site since the
23 earlier of notification of potential liability by the United States or the State or the
24 filing of suit against it regarding the Rockets, Fireworks, and Flares Superfund
25 Site, and that it has fully complied with any and all EPA requests (or requests by
26
27
28

1 the United States on behalf of EPA) for information regarding the Rockets,
2 Fireworks, and Flares Superfund Site and Settling Defendant's financial
3 circumstances, including but not limited to insurance and indemnity information,
4 pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and
5 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927;
6

7
8 b. submitted to EPA financial information that fairly, accurately,
9 and materially sets forth its financial circumstances, and that those circumstances
10 have not materially changed between the time the financial information was
11 submitted to EPA (or submitted to the United States on behalf of EPA) and the
12 time Settling Defendant executes this Consent Decree; and
13

14
15 c. fully disclosed any insurance information regarding the
16 existence of any insurance policies or indemnity agreements that may cover claims
17 relating to cleanup of the Rockets, Fireworks, and Flares Superfund Site and/or
18 other locations in the RABSP Site, and submitted to EPA (or submitted to the
19 United States on behalf of EPA) and the Local Governmental Entities upon request
20 such insurance policies, indemnity agreements, and information.
21

28

1 individuals or their successors give notice of a change to the other Parties in
2 writing. Written notice as specified in this Section shall constitute complete
3 satisfaction of any written notice requirement of the Consent Decree with respect

17 reserves the right to withdraw or withhold its consent if the comments regarding
18 the Consent Decree disclose facts or considerations that indicate that this Consent
19 Decree is inappropriate, improper, or inadequate. Settling Defendant consents to
20 the entry of this Consent Decree without further notice.
21

22 46. If for any reason this Court’s entry of the Consent Decree is reversed

Upon such termination, the parties shall file with the Court an appropriate stipulation reciting that the requirements of the Consent Decree have been met. Termination of this Consent Decree shall not affect any remaining obligations under this Consent Decree including, but not limited to, those obligations described in Section VIII (Covenants by United States and Local Government Entities), Section IX (Reservation of Rights by United States and Local Government Entities), Section X (Covenants by Settling Defendant and Reservation of Rights by Settling Defendant and Settling Federal Agencies), Section XI (Effect of Settlement/Contribution), Section XII (Access), and Section XIII (Record Retention and Certification).
